

102
1652
The Commrs of Land & Mines
February 11th 1652

By virtue of an Act of Parliament for payment
of judgments out of Emprisonments against
them Captives and Distinct it is ordered that the
yearly summs of fifty pounds be allowed and
paid out of the profits of the emprisonment
of the prisoners in the County of Dorset beginning
from the Earle of Bevilles to and for himself
of his main loines of the Habbey Munkley of
the same County of Dorset in the said County
his good maintenance and keeping of fifty pounds
a year and this for the day in the said Count
and beginning to pay the same to the said
Address according to the Act of Parliament in it
containe.
